Draft Meeting Outline for Glenwood Springs Airport Listening Session

Objectives:

1. Bring into the open community input, ideas, reactions, concerns, and hopes related to the airport operations and its future
2. Give the community critical information collected from airspace study and South Bridge processes related to the airport's future
3. Restore civility and respect to conversations about the operation of the airport and its future and use this listening session to ensure that different views of the future are heard and understood

Meeting Details:

- Date:
- Time(s):
- Location:

Setup and Preparation:

Two Separate Rooms – One with a brief informational presentation running on a loop and one with Open House Boards

Event Structure:

- Welcome, guidance for how to participate, what will happen with the results of the input, ground rules
- Attendees circulate through boards, writing comments on post-its, small group conversations (in the style of an Open House)
- Conclusion, thank you to participants, next steps, ways to stay in touch

Boards (post-it note comments could be made on any board):

- Continue/Stop/Start
 - As a community, what should we START doing or do more of related to the airport or how we discuss the airport?
 - As a community, what should we STOP doing or do less of related to the airport or how we discuss the airport?
 - As a community, what should CONTINUE doing related to the airport or how we discuss the airport?
 - Other Feedback

- Airport in Context, fast facts, attributes, current uses, technicality of flying in/out KGWS
 - What have you observed?
 - What are your insights about the airport's function and role in our community?
 - Input, ideas, reactions, concerns, and hopes for today's airport operations
- Airspace Study
- Immediate Airport Safety & Operational Considerations
 - Airspace Study
 - Fuel
 - Fencing
 - Ground maintenance
 - Communications/UNICOM radio
- South Bridge Status, EA Reevaluation Process
- Weighing Options (Overview, costs, hangar access, relationship to South Bridge) - What are your concerns and priorities regarding the relationship between the airport and South Bridge? Please list the top issues, priorities, or concerns that City Council should consider.
 - What would it mean for the City to keep the runway where it is today and have an insulated tunnel for South Bridge?
 - What would it mean for the City to move the runway to north (no tunnel for South Bridge)?
 - *What would it mean for the City to shorten the runway (no tunnel for South Bridge)?— Does council want to include this option?*
- Input, ideas, reactions, concerns, and hopes for the future of the airport / South Bridge area
